Expression of Interest
Project Consultant – MIRA Project, Sydney Region

Its is with great pleasure I announce a temporary position in the People Learning & Culture Team as a Project Consultant for the MIRA Project. In this role, the consultant will work closely and collaboratively with the Project Lead and the regional management and staff in the following activities:

- Liaise with the Project Lead and the Project Management Office to ensure the project Implementation Plan is fully supported and communicated
  - This will involve communication and collaboration with regional management and key staff
  - Support regional staff to plan their local implementation of the system
  - Participate with the Project Lead, in coordinating rollout across the organisation

- Ensure the development of (and sharing of) expertise around the MIRA system and incident management process
  - Develop expert knowledge around organisational incident management processes, systems and structures
  - Develop expertise and knowledge around the MIRA application and approach

- Contribute to the development of a learning and development plan as well as a learning and development resources in alignment with the organisation's policies, procedures and business rules

- Coordinate, and participate in, regional and other training relevant to incident management and MIRA application.

This position is for a period of six (6) months. The role will necessitate a close working relationship with the Care Services Team and the region and will be base at Regional Head Office in Leichhardt.

All interested persons would be most welcome to discuss the role with
Elizabeth Horden, Executive Manager, People Learning and Culture Sydney Region
