

## Residential Facility Manager The Marion

As the largest provider of services in Aged Care in NSW and ACT, UnitingCare Ageing is aiming to re-shape the way aged care is thought of and delivered within communities, according to a strongly person-centred framework. Our new service approach focuses on healthy ageing, independence and choice for older people, local community integration and client centred service development.

The Sydney Region covering the Inner West and Eastern Suburbs comprises 13 residential services and 18 community care services along with 70 self care units.

The Marion, located in Leichhardt is a 130 bed, state of the Art, 'Ageing in Place' facility, offering the very best in high and low aged-care accommodation. This includes 55 beds specifically designated for dementia care set in four clusters of secure cottages, each containing their own communal kitchen and living areas which creates a homelike, self sufficient environment.

Due to the Organisations focus on growth and development, which has resulted in multiple Internal promotions we have an exciting opportunity for a dedicated and enthusiastic individual to take on the role of Residential Facility Manager for The Marion.
